For the first time ever, the Patent Information Users Group (PIUG) is offering sponsorship of an Internet Café to our Diamond and Ruby Sponsors at the PIUG 2006 Annual Conference. By donating \$2,500.00 (Ruby sponsor) or \$1,500.00 (Diamond sponsor), a computer with high speed internet access will be set up in your company's name in the Exhibit Hall and it will be available for PIUG meeting attendees to use on Monday, Tuesday, and Wednesday (May 22 - 24, 2006) during exhibit hall hours.

As an internet café sponsor you will be able to advertise your products or database services by placing a screen saver, mouse pad, and/or your internet home page on the computer so that the users can easily access your company home page and learn about your products/services while they take breaks to use the computer. PIUG will also post a sign on the computer table to let the users know who is sponsoring the internet café. We are very excited about offering the first PIUG Internet Café and hope you will consider sponsoring a computer. For more details and to sign up as a sponsor of the Internet Café, please contact Randi at randi.leboyer@conferon.com 312 928-0916 or Yun Yun Yang at yunyun.yang@bms.com 609-818-4726.
