

PIUG is a not for profit organization, existing to support, improve and enhance the success of professionals with a scientific, technical, legal or business interest in patent information.

Our membership includes patent information researchers, patent attorneys, patent agents, licensing professionals, librarians, consultants, patent aggregators, commercialization managers and patent experts around the world.

The active online community forum discusses current issues and provides valuable information regarding the different databases and tools available to access and analyze patent information.

WHY JOIN PIUG?

- Keep up to date on new developments in patent information retrieval and analysis
- Learn and implement best practices for searching patent publications
- Build your global network of patent professionals

BENEFITS

- Membership directory and service provider listings
- Reduced fees for conferences, workshops and journal subscriptions
- Daily job posting notifications and salary survey data

www.piug.org

Believe it or not,
the world of patent
professionals is
wider than you
imagine.

From patent information
researchers, to
licensing professionals,
patent attorneys to
commercialization managers,
there is only one association
that gives you access to
this growing community.
Worldwide since 1988.
